

THE
BEEKMAN 1802
DISPENSARY.

Combining natural ingredients in a modern way. The Beekman 1802 Dispensary Collection – The design and style inspiration stems from the original Beekman Mercantile and 19th century apothecary and 'elixir' merchants.

Made in The USA products of lush, warm amber tones. Honey infused formulations, perfected by nature and thoughtfully prepared by the experts at Beekman 1802.

attributes:

- Honey is a natural anti-bacterial and anti-oxidant and works to both clarify and soothe the skin and hair.
- Essential oil derivatives of black peppercorn, cardamom, and clove provide an earthy and sensuous scent for the traveler no matter what frontier they're planning to cross.
- Formulas gentle enough for everyday use designed for unisex appeal
- Made with natural ingredients. No Parabens, no banned phthalates, no petroleum, no paraffin, no diethanolamine, and no mineral oil. Made with purified water.
- All product packaging is 100% recyclable
- Made and dispensed in the USA
