

## Soapbox Collection Exclusively for Delta Hotels by Marriott

### Natural Body Care That Gives Back

- Heart-warming and memorable: each room amenity kit gives back to someone in need.
- Soapbox products will inspire and surprise your guests with quality ingredients, a refreshing scent, and a story that warms the heart. Guests will feel pampered and pleased with such an intriguing product provided to them in their hotel rooms!
- Argan Oil contains the nutritive Omega-9 and Vitamin E for healthier hair and skin.
- Subtle fragrances and formulas gentle enough for everyday use.
- Made with natural ingredients. No EDTA, no parabens, no phthalates, no petroleum, no paraffin, no diethanolamine, and no mineral oil. Shampoo and Conditioner are SLS/SLES free, and color-safe.
- Each product contains a unique Hope Code on the back of the packaging that can be used to trace exactly where the give back donation is being made.
- Bilingual labeling.
- Packaging is 100% recyclable.
